

CRAIGSLIST

Wireframes

Wireframe Home Page - Mobile

A wireframe is a simple sketch of a website layout and structure, used to plan and communicate the design. Below is the wireframe of the new redesigned Craigslist website.

Dropdown
that will show
additional
information as
shown below

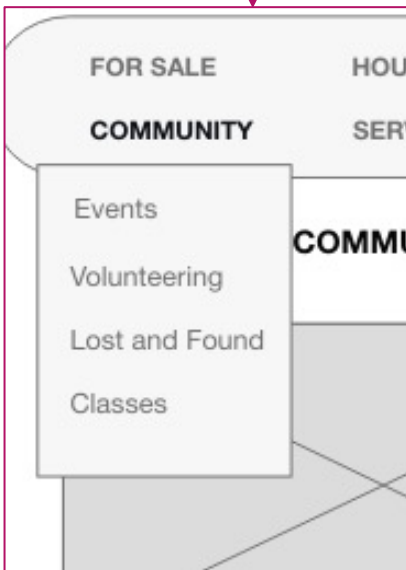

Image
representing
the
Product or
service
offered

Brief
overview of
Listing details

Wireframe

Details Page - Mobile

After a user clicks on 'More Info', this page appears and provides even greater details on the article.
